

HOLD HARMLESS/TAXIDERMY AGREEMENT

Dear Valued Client,

Your placement in Reflections Taxidermy's mounting schedule begins when this agreement is signed, and your deposit has been made.

Unless otherwise notified by the client, Reflections assumes that all skins and horns received were sent to be processed as mounted trophies. Accordingly, all skills will be cleaned, and skins will be final fleshed, salted, and sent for tanning even if we have been unable to reach you. This is done in an effort to maintain quality, efficiency and space. Client will be responsible for any/all prep work and tanning costs incurred.

Due to variable factors in field care proficiency, climate, time of year, individual animal physiology and shipping issues/delays all tanning is done entirely at the client's risk.

Your paid deposit locks the current taxidermy rate during this time, even if there is an increase while you work is under way. Deposits are nonrefundable once tanning has been started or completed. Clients are further highly encouraged to self-insure trophies of exceptional value or rarity which would exceed Reflections' standard liability coverage. Contact Reflections for suggested taxidermy insurance provider and details.

Reflections expects clients to pay the balance of work performed when project is complete regardless of when the client arranges to pick up or other shipping/delivery arrangement can be made. No taxidermy may leave the facility without payment in full. Storage fees may apply to mounts that are not taken possession of in a reasonable timeframe. Hides/horns/mounts not claimed after 90 days will be considered abandoned and may be sold to cover tanning, mounting or storage costs.

Client further agrees that all animals sent to Reflections have been legally harvested and that client has followed all applicable game laws in the taking and transport of such animal. No brain or spinal cord tissue may be sent to Reflections as per Montana chronic wasting law.

Reflections also has the right to use client's trophies photographed for marketing purposes/ advertising/ and electronic website. Client's name will not be used.

Client agrees to hold Reflections harmless for damage or loss beyond our reasonable control including, but not limited to loss or damage during transportation, fire, flood, theft, acts of God, or war.

Reflections will not be held liable for any future insect damage to your mounts.

I, _____ have read, understand, and agree to the above.
